

Questions to prompt dialogue

- What were the main difficulties, how did you overcome them?
- Why would you do that?
- What would change your mind?
- Would this always be the case?
- Why do you say that?
- Is there a counter argument for this?
- What would happen if...?
- Is there any reason to doubt that?
- Why is this question important?
- Did anyone interpret this in a different way?
- Can you think of a better way of doing this?

Questions to prompt dialogue

Why do you think this is true? Can someone else give evidence to support this?

Were you happy with the way you tackled this?

How does this affect...?

What do you mean by...?

Can you develop your point on...?

Why would you make this assumption?

Can you summarise your findings?

Can you explain this further?
